FIELDING ADVENTURE: SKILLS + CONFIDENCE IN ONE WEEK!

Week #7 (July 20 – 24th)

"Babe Ruth said, 'Baseball is the greatest game in the world and deserves the best you can give it.' This week is all about fielding games and giving it your best to learn baseball and softball skills, and tactics, and situational play."

Join us for a week of thrilling fielding games where campers will master:

- **Kickball, Softball, Baseball, and Cricket:** Learn, develop, and enhance your skills.
- **Sports Specific Skills:** Focus on hitting mechanics, proper throwing techniques, and receiving/fielding fly balls and ground balls.
- **Offensive and Defensive Situations:** Gain a deeper understanding of the game, becoming mentally focused and situationally smart on the field, in the batter's box, and on the bases.
- **Position Skills:** Work on specific skills like catching and pitching.

Whether you're new to the sport or a seasoned player, this week at camp promises a fun, dynamic approach to skill work and situational drills that will take your game beyond the warning track and out of the park.

What gives our fielding camp the competitive edge?

Top Coaching Character and Sport Leadership Development

"Our proven leadership curriculum—crafted by athletic directors—builds mental toughness, teamwork, and lifelong confidence both on and off the court."

Our programs offer a sport psychology-influential toolkit for life and forge the opportunity for the competitive athlete to strive to excel physically and mentally as an individual and team player. Through intense leadership and team development settings they will gain a better understanding of what it takes to improve, achieve and succeed in an individual or team environment while working to achieve higher performance levels.
