

Where Kids Can Be Kids

2023 Cooperative Games

This is one of two available fitness tracks. ALL campers participate in weekly themes that incorporate special events, hands on science activities (STREAM), a young naturalist program, hydroponics, gardening, life skills, character development & spiritual enrichment, and good old-fashioned summer fun rolled into one! This one of a kind camp is in Medina, Ohio and is available to children 7 (completed First Grade)-13 years old.

Find more info and register online at www.countrylifekidscamp.com

Week/Dates	Weekly Theme	Special Event	Cooperative Games - Teacher Led
Week 1 June 5-9	<p>Barefoot in the Garden</p> <p>Dig into biodynamic gardening that encompasses the principals of organic gardening while exploring the basic cycles of nature bringing plants, animals, and soil together in harmony. Splash into soilless hydroponic gardening and plant both vertically and horizontally in our lab. Get messy with mud between our fingers and toes discovering who or what uses dirt as their home. Learn about how planting a "life garden" can harvest a lifetime of respect and love.</p>	<p>Butterfly Garden Restoration</p> <p>The "butterfly effect" is a scientific principal that helps us learn that everything we do matters. We will be restoring our CLKC camp butterfly garden! Enjoy planning, mapping and planting a new and improved butterfly garden that will attract many gorgeous winged species.</p>	<p>Cricket, Wiffle Ball, Kickball (Field Games)</p> <p>Learn the basic skills and rules of these games so you can enjoy "sandlot" play at home. No matter the game or inning these fielding games will be exciting and improve motor coordination skills.</p>
Week 2 June 12-16	<p>Hook, Line, and Sinker</p> <p>Take a dive in our world's blue waters and discover some of the most interesting life in the aquatic biomes, fish! Use nets to catch minnows, tadpoles, snails, dragonfly nymphs, water striders and more. Work with microscopes and keys to observe the interactions among organisms and assess the pond's health. Did you know we stock our camp ponds with over 100 tilapia each year to help minimize algae organically?</p>	<p>Fishing Derby</p> <p>Get hooked with our annual fishing derby. During this program campers will learn rigging, knot tying, fish handling, fish identification, fish habitat and casting! They will take to the shores and try their hand at fishing for multiple species of both big and small fish in our yearly stocked ponds.</p>	<p>Pickleball (Net Games)</p> <p>This week's activities will focus on net games to assist in developing individual and team net games. Beginning with the progression of court-awareness and court-positioning to footwork, body-positioning and proper mechanics. Your child will develop and improve their gameplay from pickleball, 4-square at the playground, badminton, and beyond.</p>
Week 3 June 19-23	<p>Spread Your Wings</p> <p>It is time to preserve, protect and restore CLKC's wild school site! We will teach the campers about natural habitat conservation and how they can help preserve environmentally important habitats even in their own backyard. Conservation is an act of stewardship and is a rewarding experience. With the campers as our team, we will be targeting preservation of our blue bird, duck, and bat habitats. After learning about each winged species, we will set out to help them flourish once again through many hands-on projects.</p>	<p>Raptors Up Close</p> <p>Medina Raptor Center will be visiting our camp providing a variety of ways for the campers to see many of the unique and beautiful bird species up close and learn about them through an amazing educational program.</p>	<p>Frisbee Games & Speedball (Toss Games)</p> <p>Let our minds, bodies and toys soar as we take flight in some high-energy games. Enjoy a variety of frisbee and speedball games that will help us improve our hand-eye coordination and awareness skills.</p>
Week 4 June 26-30	<p>Molecular Madness</p> <p>Explore the magical worlds of bubbling beakers, crazy chemistry, and all kinds of radical reactions as you whip up all sorts of molecular madness in this exciting chemistry-themed week! Learn about the many chemical solutions of science and find out how different chemicals react when mixed!</p>	<p>Escape Challenge</p> <p>What will be your method to finding the key to help you escape from this room of molecular madness in this interactive escape room challenge!</p>	<p>Basketball And Four Square</p> <p>Bounce into a week of court madness! We will focus on ball handling, bouncing and catching skills for our campers while playing small-sided games on the court.</p>

Week 5
July
10-14

Olympics

Become an Olympian and represent a country from around the world. Learn what it takes to jump higher, run faster, and be stronger! Experience the life, history and culture of the countries while enjoying sport festivities, team challenges and an Olympic decathlon. End the week with a closing Olympic ceremony crowning camper and team accomplishments!

Week 6
July
17-21

Earth's Heroes

Learn how to help make a difference in preserving our Earth's resources and protecting our wildlife. Discover wild and incredible ways our eco-friendly wildlife are our planet's most amazing recyclers. Master the art of renewing or reusing old or recycled products to make creative working masterpieces. Be one of Earth's mightiest heroes!

Upcycle Creations

Tackle an abstract project taking recycled products and creating upcycled inspirational pictures and garden planters. Great creative fun and valuable life lessons in store!

Creative DIY Games

Campers will unlock their creativity as they create their own games and rules in small groups using multiple sports or backyard games as their foundation. They will then teach and enjoy playing them with their friends.

Week 7
July
24-28

Jedi Trials

Launch yourself into light years of rocketry. Learn about the space race and our new ambitions that will take us back to the Moon and beyond. Blast into the past and learn about the oldest natural science known as astronomy.

Rockets and the Force

CLKC will become a mission control center for a day connecting space sciences to space engineering while designing fueled model rockets to launch high above CLKC. Now, once in the realms of space, time travel to the age of Yoda and Darth Vader and engage in an epic battle of capture the flag. A new level of fun awaits as lightsaber noodles, nerf guns and dodge balls are incorporated into the rules of engagement. Will the force remain balanced? Try we must!

Dodgeball, Poison Ball, & Gaga Ball

These fast action-packed popular ball games generate a ton of laughter and fun! These games improve general fitness, endurance, vision, and motor development.

Week 8
July 31 -
Aug 4

Indiana Jones Crusade

Step into the shoes of a geoscientist as the studies of Earth, energy and environmental sciences combine into a fantastic trio of learning and fun tied into one. Journey through the center of the Earth, explore the planet's dynamic systems, dramatic landforms, and learn about the atmosphere that keeps us alive.

Obstacle Adventure

Rock into a series of adventures that replicate the movies. Enter if you dare into the Indiana Jones Obstacle Course Relay that will include bridges, swinging vines, golden shrine climb, and spiderweb infested secret passages. Then let the hunt begin by retrieving an ancient map that will lead you to artifacts and glyphs retrieving clues and evidence to unlock a secret treasure. Will the obstacles stop you in your tracks?

Obstacle Course & Relay Games

Learn the skills needed to tackle our dual team challenge obstacle course! Campers gain confidence during this week overcoming mental and physical obstacles. They become warriors ready to tackle any adventure!

Week 9
August
7-11

Festival of Fun! 15 Year Anniversary Celebration

Enjoy a festival of pastimes and popular games that have helped grow Country Life Kids Camp into what it is today. Relive the greatest moments of the last 15 years in a monumental week of good old fashion fun!

Camp Favorites

Everything from capture the flag, laser tag, to water balloon battles will be in motion! All the camp's favorite games will be experienced in this celebration of summer memories!

"Where Kids Can Be Kids"

Our Mission is to prepare our youth for the future by instilling in them character... values... leadership... and a moral compass by which to lead their lives.
