

Where Kids Can Be Kids

# Summer 2022 Themes

All campers will experience the fun weekly themes and will take part in the themed special events.

This one of a kind camp is in Medina, Ohio and is available to children 6 (completed First Grade)-13 years old.

Find more info and register online at [www.countrylifekidscamp.com](http://www.countrylifekidscamp.com)

Week/Dates	Theme	Special Event
<b>Week 1</b> June 6-10	<b>Oregon Trail Journey</b> Learn what it takes to journey into the unknown while taking the challenge to travel the Oregon Trail. Gain a true appreciation and respect for nature as you design a new homestead, build an organic garden, create home-made necessities, and solve problems on the trail while in route. Will you survive the trail, will you be broke, or will you prosper once in Oregon?	<b>Oregon Trail Challenge</b> Hop aboard a wagon train in this epic 1970's computer game and embark on a live-action-role-playing experience. At the end of the challenge points will be awarded according to health, remaining possessions, cash-in-hand and by chosen profession. Engage in the realities of pioneer life and learn through hands-on exploration.
<b>Week 2</b> June 13-17	<b>Slimy, Spiky, and Slightly Unsightly Creatures</b> Discover the craziest and most unique creatures on the planet including fish that have adapted and survived through every Earth catastrophe. Dive into some messy adventures around camp that will include...mud, slime, shaving cream and more!	<b>Fishing Derby</b> Learn about a variety of ways to help catch those slimy, spiky and slightly unsightly creatures from beneath in our Fishing Derby special event.
<b>Week 3</b> June 20-24	<b>Coding Voyage</b> Step into the popular video game of Minecraft and enjoy an experience of live-action role-playing where you will become a coder, zombie, enderman, hero, and much more! Challenge yourself on our dual team challenge obstacle course and engage in STEM coding wars that will test your abilities mentally and physically.	<b>Minecraft Challenge</b> Embark on a new style of coding in a life-size version of Minecraft. Team-up in this camp-wide Minecraft special event that puts you in the center of the game retrieving ingredients from the obstacle course, crafting tools, coding, problem solving, rescuing teammates from the dungeon, building a fortress and beyond. Which team will be the first to finish?
<b>Week 4</b> June 27- July 1	<b>Backstage Pass: The Magic of Theatre</b> Join us for a junior theatre performance where you are the director, designer and actor all-in-one. Learn the basics in acting, playwriting, music theory, improvisation, and set design. You will be working hard daily to produce a junior theatre performance in a single week!	<b>Junior Theatre Performance</b> Join us for a fun-filled performance where every camper's talent will be highlighted from center stage to behind the curtain. Everyone will have a role and make a difference!
<b>Week 5</b> July 11-15	<b>Imaginarium Workshop</b> Explore the miraculous discoveries and famous names that derive from Ohio. This week will be rich with Ohio history placing you in the center of its growth and development as you embark on your own journey of innovation in our Shark Tank special event.	<b>Shark Tank Challenge</b> Step into the shoes of an entrepreneur. Invent, design, draw, model, market, and sell your product. Local business owners will join us to help with judging whose got the most inventive spirit that could thrive in the market today.
<b>Week 6</b> July 18-22	<b>Isle of the Lost: Jurassic Adventure</b> Dig for bones and artifacts of dinosaurs unearthing history right before your eyes in daily hands-on adventures. Learn about these fascinating prehistoric creatures and witness how we see living dinosaurs in our own backyard today. Grab a pack and be a paleontologist for a week but be aware for you never know what challenges you may encounter while on the quest for discovery.	<b>Dino Escape</b> As you uncover prehistoric bones you might be met with physical adventures and mental challenges along the way that will require you to use coding, forensics, geology, and math to solve several traps and escape room challenges.

**Week 7**  
**July**  
**25-29**

### **Splish Splash**

The element of water is beyond a necessity in life. It brings a refreshing splash of pure joy to our lives. Enjoy all the abilities of water through hydropower STEM experiments, water cycle science, ice lab tests, water games, watercolor projects, and exploratory fun with our NEW water wall!

### **Water Park and Color Run Fun**

Get ready to get soaked as you dive into a day full of water fun including our 300-foot slip-n-slide, then take the ultimate challenge in our NEW Color Run experience where you will be doused from head to toe in different colored powder as you run our trail course.

**Week 8**  
**Aug**  
**1-5**

### **Circle of Life**

Uncover the amazing natural food webs and chains that define our ecological community. Investigate the animal kingdom and discover which keystone species will reign supreme in face-to-face challenges of Who Would Win? Around a campfire, share thrilling legends and fables from around the world highlighting the unique evolutions and adaptabilities of animals. Then create your own legendary creature and see how it will play a role in the circle of life.

### **Disney's Lion Guard Quest**

You are now the protector of the Pride Lands and what you find and answers you seek may very well save the future of the animal kingdom. Scavenge for answers to ecological riddles that can rock the circle of life out of balance and work to find harmony once more.

**Week 9**  
**August**  
**8-12**

### **Celebration of Festival, Fun, and Friendship**

Enjoy a weeklong festival of celebrating summer camp fun. Every day plays host to special experiences, camp-wide games, parties and more!

### **Celebration**

Every day will host a camp-wide special event that will include games, movies, special treats, campfires and more!
