Cancellation & Refund Policy

At Country Life Kids Camp, we strive to provide a safe, fun and educational environment for our campers and their families. To ensure we can offer these services, we must have the appropriate staff based on projected camper counts each day. Staffing decisions are made based on the number of registered campers each season. Additionally, the camp incurs processing fees for credit card refund due to cancellations. With the considerations in mind, please review our Cancellation and Refund Policy below:

Cancellation Fees (per person):

Cancellation made prior to May 1st: \$50.00 cancellation fee per week

Cancellation made May 1st and after: \$85.00 cancellation fee per week

Exceptions: If a camper is unable to attend activities for medical reasons, documented by a signed physician's statement and /or health department notice, the camper's registration may be cancelled with no fee.

The remainder of the tuition will be refunded to your credit card.

PLEASE NOTE: Participants assume the risks associated with any changes in personal health and affairs.
