

Where Kids Can Be Kids

Why are we the **BEST** option to care for your child?

Our reputation speaks for itself, but let us tell you a few highlights that set us apart from all the rest!

- ***Our curriculum is expertly designed by diversely experienced directors.***
- ***Experienced counselors and coaches then teach our curriculum in a hands-on learning environment.***
- ***We only retain the most qualified and passionate teachers and counselors.***

In fact, each counselor under the age of 25 was first admitted into our Camp Counselor in Training, Staff in Training, or Internship programs. These three programs are geared for different age groups and are competitive feeder programs that enable us to hire the best counselors for our camp. They are four-week volunteer programs that provide our future counselors with the mentoring, training and experience needed to succeed.

Our top priority is providing a safe and healthy environment for your child that is rich in Christian values. We offer flexible schedules with our all summer packages, weekly packages, and after care.

Did we mention that all our activities are outdoors, which is unique? **Lastly, and most importantly, we pride ourselves on creating a summer camp experience that helps your child build confidence, discover their abilities, develop leadership skills and feel empowered!**

We give them the skills to go out into the world and soar!
