

PICKLEBALL GAMES

Youth Instructional Sports and Performance Training

Week 1

June 5 - 9

Players will be coached through several fundamental pickleball skills including, serving, ground strokes, dinking and scoring. Each player will receive quality instructions by coaches and take part in fun tournament type games. Pickleball is a FUN sport that combines elements of badminton, ping-pong, and tennis. It is a quick, fast-paced, competitive game that is easy to learn. The best part is that Country Life Kids Camp has invested in a NEW pickleball area with backstops, so the play never ends. The campers will learn the fundamentals, rules, and strategies needed to participate in the game and advance their hand-eye coordination.

Cross Training Program

Total body conditioning will be the emphasis for cross training each week and will focus on the specific fielding movements and muscle groups to allow the athlete to coordinate skills and improve performance effectively and efficiently. Agility training will focus on footwork and band/resistance training to increase quickness and speed. Whether stealing a base, chasing a fly-ball, charging a grounder, running to first base, or getting out of a run-down or pickleball quickness and speed are the key.
