The camp blends skill-building with games and teamwork to foster a love for the sport. Focus on grip, stance, swing, putting, chipping, and course etiquette. Interactive drills and friendly competitions to reinforce learning. Whether your child is new to golf or looking to sharpen their skills, this camp offers a memorable experience that builds athletic ability and character – one swing at a time!

Cross Training Program

Total body conditioning will be the emphasis for cross training each week and will focus on the specific movements and muscle groups that strengthen the core. Strengthening the core will allow the athlete to develop strength and power with their swing allowing the athlete to coordinate skills effectively and efficiently. Agility training will focus on footwork and band/resistance training to increase quickness and speed to cover the court and return the game winner for net game performance.
