| Week/Dates | Theme | Special Event |
|--------------------------------|--|---|
| Week 1 June 3-7 | Willy Wonka Chef Challenge Unwrap the Golden Ticket and learn how to design and plant a delicious garden like an Oompa Loompa. Indulge in making and eating a variety of sweet recipes like your favorite chef and participate in our candy mania games just like TV's most classic game shows. | Life-size Candy Land Game We will be turning the epic Candy Land board game into a life-size race where you are the game pieces boldly exploring the hills and valleys of the Candy Land World. Who will be the first team to reach their destination? |
| Week 2 June 10-14 | Dr. Seuss's Imaginarium With Dr. Seuss as our inspiration, we will celebrate a palooza of wild and wacky imaginative wildlife science, technology, engineering and young naturalist fun! Oh! But wait there is even more! One fish, two fish and three fish will be in store as we fish galore! | Thing-A-Ma-Jig STEM Invention and Dr. Seuss Fishing Challenge Become an engineer and develop an invention or inventive idea that can directly help humanity in Dr. Seuss's Thing-A- Ma-Jig STEM adventure. Enjoy the sport of fishing in a competitive atmosphere. Who will reel in the smallest, largest and the most fish in our One Fish, Two Fish, Three Fish Galore Dr. Seuss's Fishing Challenge. |
| Week 3 June 17-21 | Marvel Championship Games We all have talents to share that exhibit greatness and it's time to unlock the power within. Put your talents to the test in a week-long adventure of Marvel superhero vs. villain live action role playing games. Then take an active role in learning how to live life like a superhero with good fitness, positive attitude and champion nutrition. | Avengers Secret Mission Go on a superhero secret mission that will require teamwork, mental toughness, problem solving skills, and physical strength to save those in trouble. Will you find them and rescue them from the villains in time? |
| Week 4 June 24-28 | Toy Story Mayhem Our Toy Story friends would be eternally grateful if you could help them escape from Emperor Zurg's capture. This daring journey will take you from planets and galaxies beyond to a wild western frontier in a laser tag adventure. Your engineering skills will be put to the test as you will have to engineer contraptions to escape this mayhem and safely return back to Andy's room! | Andy's Backyard Adventure Combine nerf and laser guns into one of Woody's classical backyard round-up games as one station of fun. Then travel to Buzz Lightyear's water bottle rocket challenge where water pressure is the fuel to an extraordinary adventure. Don't think that is all, head over to Rex's and RC's racing town where you help build a backyard race track then take it for a spin with RC cars. You can bring your own RC car or borrow one of ours! |
| Week 5 July 8-12 | Hollywood Extravaganza Be a part of the lights, cameras and action as we offer drama, back-stage magic, animation and stand-up comedy fun! Take a deep look into Walt Disney's creative adventure that developed into Mickey Mouse. A conclusion to the week will be a red carpet "My Camp's Got Talent" show where you are center stage! | My Camp's Got Talent Show Become a part of the theatrical magic as you step center stage into Country Life Kids Camp's first "My Camp's Got Talent Show." Family will be invited through a formal invitation to walk the red carpet and see our show! |

Week 6
July
15-19

Mission Impossible

Out wit and out play the challenge to unlock the secrets to surviving in the Ohio wilderness through daily Green STEM designed camouflage missions and wildlife exploration.

Camouflage Mission

Embark on a mission in full camouflage through our woods needing to utilize every learned mount training skill and survival skill to complete the mission successfully as a team.

Week 7
July
22-26

Mad Scientist vs. Wild Investigator

Live the CSI thrill experiencing both the lab and field work of a CSI agent! Who will solve the case first... the Mad Lab Scientist or Wild Field Investigator? Unravel the mysteries and solve the clues when local mischievous animals ensue chaos and place you in the center of a thrilling investigation!

Ultimate CSI Investigation

You have just received your CSI agent badge and are now tasked with a case. Utilize the protocols, field skills and lab skills learned and determine scientific conclusions that will solve the case. Work quickly and cooperatively with a team of agents as you will be working to solve this case under competitive circumstances and within time constraints that will push your critical thinking to the max.

Week 8
July 29 -
Aug 2

Storyteller Mania

Travel through timeless novels and experience the thrill of re-living the tales of Treasure Island and The Wizard of Oz. Go on quests that turn these classic novels into wildlife science and engineering challenges that will task you to build a life-size log raft and produce working puppet models

Mini-Comic Movie w/ puppeteering

Both novels of Treasure Island and Wizard of Oz are classic tales. Relive iconic parts of the novels in live action role playing games and engage in puppeteering scenes that are sure to make the story come to life like a graphic novel. All of the STEM engineering from the week will come together, combined with some imaginative humor, for a grand finale that will be filmed and created as a mini-comic movie!

Week 9
August
5-9

Artful Antics

Go on a creative adventure exploring the many mediums of art including music! Rock it out with music lessons, body percussion rhythms, rock painting and still-life art.

PVC Sound Tube Station

Create a PVC Sound Tube Station at camp that will bring a whole new level of loud fun. Explore different sounds with different sizes and heights of PVC. The kids get inspired from different designs and then as a group vote on the best design, build, and play!

“Where Kids Can Be Kids”

Our Mission is to prepare our youth for the future by instilling in them character... values... leadership... and a moral compass by which to lead their lives.
