

Where Kids Can Be Kids

Summer 2022 Themes & Fitness Programs

Country Life Kids Camp is a unique faith-based summer day camp in Medina, Ohio and is available to children 6 (Completed First Grade) - 13 years old.

Find more info and register online at www.countrylifekidscamp.com

ALL CAMPERS PARTICIPATE IN OUR CORE PROGRAMMING:

Life Skills/Character Development • Team Building • Hands-on Activities (STREAM) • Young Naturalist • Arts & Crafts
Religious Activities • Garden/Hydroponics • Fun Weekly Themes and Special Events

In addition to the CORE programming above, parents can CHOOSE one of two physical activity tracks for your child when registering:

COOPERATIVE GAMES

The learning goals of the cooperative games program are to increase the campers' sense of personal confidence, to develop interactive and cooperative team building skills, to increase their level of physical conditioning, encourage problem solving and decision-making skills and let campers play in a fun and supportive environment without fear of failure.

INSTRUCTIONAL SPORTS

Athletic training and sports instruction by highly motivated licensed professional coaches from around the region who are dedicated to helping your athlete achieve and succeed, striving to reach personal bests in athletic and agility training.

Leadership • Agility • Sports Ethics • Athlete of the Week

Week 1
June
6-10

Oregon Trail Journey

Learn what it takes to journey into the unknown while taking the challenge to travel the Oregon Trail. Gain a true appreciation and respect for nature as you design a new homestead, build an organic garden, create home-made necessities, and solve problems on the trail while in route. Will you survive the trail, will you be broke, or will you prosper once in Oregon?

Special Event

Civil War Living History - Hop aboard a wagon train in this epic 1970's computer game and embark on a live-action-role-playing experience. At the end of the challenge points will be awarded according to health, remaining possessions, cash-in-hand and by chosen profession. Engage in the realities of pioneer life and learn through hands-on exploration.

Instructional Sports - Basketball Training

The first basketball week will focus on the fundamentals of basketball such as shooting, lay-ups, finishing moves, footwork, passing, jump stops, pivoting, blocking out, rebounding, dribbling, ball-handling, foul shooting, and defensive and offensive development. Fundamentals are the key ingredients to master, for they will give the athlete the skills to compete and contribute at the next level no matter the competition. Dynamic drills will be used to challenge and excel each player's skill sets along with increasing their court IQ.

OR Cooperative Games

Travel back in time to relive pastimes of the most classic games we still enjoy today! Learn how to play marbles, checkers, tic-tac-toe, dominoes. Then drop in for a traditional county fair carnival as you travel the trail.

Week 2
June
13-17

Slimy, Spiky, and Slightly Unsightly Creatures

Discover the craziest and most unique creatures on the planet including fish that have adapted and survived through every Earth catastrophe. Dive into some messy adventures around camp that will include...mud, slime, shaving cream and more!

Special Event

Fishing Derby
Learn about a variety of ways to help catch those slimy, spiky and slightly unsightly creatures from beneath in our Fishing Derby special event.

Instructional Sports - Fielding Games

Babe Ruth said, "Baseball is the greatest game in the world and deserves the best you can give it." This week is all about fielding games and giving it your best to learn baseball and softball skills, tactics, and situational play. Through the games of kickball, softball, baseball, and even cricket, campers will learn, develop, and improve their overall play in fielding games. Sports-specific skills this week will focus on hitting mechanics, proper throwing mechanics, and receiving/fielding fly-balls and ground balls. Offensive and defensive situations will be covered to allow campers a more in-depth understanding of the game and becoming mentally focused and situationally smart in the field, the batter's box and on the bases. Additionally, there will be opportunities for the campers to work on specific position skills such as catching and pitching. Whether you are a player new to the sport or a player who is playing at the club or travel level, this week at camp will allow for a fun, dynamic approach to skill work and situational drills that will allow you to take your game beyond the warning track and out of the park.

OR Cooperative Games

It is time to get slightly messy with our action-packed games reliving a 1990's Nickelodeon game show called Double Dare. You will be challenged by mud, slime, oobleck, shaving cream, marshmallows, water, chalk and more in an array of game show challenges.

Week 3
June
20-24

Coding Voyage

Step into the popular video game of Minecraft and enjoy an experience of live-action role-playing where you will become a coder, zombie, enderman, hero, and much more! Challenge yourself on our dual team challenge obstacle course and engage in STEM coding wars that will test your abilities mentally and physically.

Special Event

Embark on a new style of coding in a life-size version of Minecraft. Team-up in this camp-wide Minecraft special event that puts you in the center of the game retrieving ingredients from the obstacle course, crafting tools, coding, problem solving, rescuing teammates from the dungeon, building a fortress and beyond. Which team will be the first to finish?

CHOOSE YOUR PHYSICAL ACTIVITY TRACK

Instructional Sports - Warrior Challenge

This week forges the opportunity for the positive development of the young athlete to strive to excel physically and mentally as an individual, along with the support of coaches, trainers, and their peers. Developing, Improving, and Achieving in physical and mental challenges will allow everyone to gain a better understanding of what it takes to improve and succeed athletically in the areas of strength, endurance, and perseverance. Further mental and physical training throughout the week will include a fun and dynamic combination of agility, obstacle course challenges, and strength and endurance activities. The week will culminate with a fun, competitive Warrior Challenge Event that will test each camper to complete various obstacles, challenges, and the Titan Rig with the Warrior Challenge.

OR Cooperative Games

Put your strength, speed, balance, and agility to the test as you launch into a week full of Obstacle Course challenges. Campers will be dared to try new obstacles and push themselves to new levels on our rope climb, balance beam, rock wall climb, cargo net, tube crawl, tire run, low crawl, and more!

Week 4
June 27-
July 1

Backstage Pass: The Magic of Theatre

Join us for a junior theatre performance where you are the director, designer and actor all-in-one. Learn the basics in acting, playwriting, music theory, improvisation, and set design. You will be working hard daily to produce a junior theatre performance in a single week!

Special Event

Join us for a fun-filled performance where every camper's talent will be highlighted from center stage to behind the curtain. Everyone will have a role and make a difference!

CHOOSE YOUR PHYSICAL ACTIVITY TRACK

Instructional Sports - Golf

This week brings the nostalgia, the tradition, the Royal feel to sports as we focus on The Open Championship of Golf. The week's sport emphasis will be on introductory golf skills that will culminate in the Club Championship at CLKC. Fun and challenges await as we introduce, develop, and improve on the games of golf and the confidence to challenge each other to compete as first-class athletes with a sense of pride, tradition, and etiquette of sportsmanship!

OR Cooperative Games

Enhance your movement by learning creative explosions of musical improvisation. Then choreograph your own talent show routine with friends and showcase your talents.

Week 5
July
11-15

Imaginarium Workshop

Explore the miraculous discoveries and famous names that derive from Ohio. This week will be rich with Ohio history placing you in the center of its growth and development as you embark on your own journey of innovation in our Shark Tank special event.

Special Event

Step into the shoes of an entrepreneur. Invent, design, draw, model, market, and sell your product. Local business owners will join us to help with judging whose got the most inventive spirit that could thrive in the market today.

CHOOSE YOUR PHYSICAL ACTIVITY TRACK

Instructional Sports - Soccer Training

Athletes will learn how to play smart and simple one-two touch soccer through fundamental training and small sided games. This type of training will help the athletes show creativity and vision on the field with full control of the ball, give them the ability to anticipate the next play, and be able to make quick decisions under pressure, elevating them to the next level. They will train to become a master in dribbling, shooting, passing, juggling, crossing, heading, and tackling with precision.

OR Cooperative Games

This week is about a hodgepodge of wacky and wonderful high-energy mystery tag and small-sided games. Then take your imagination to the next level as you invent your own backyard game and putt-putt course.

Week 6
July
18-22

Isle of the Lost: Jurassic Adventure

Dig for bones and artifacts of dinosaurs unearthing history right before your eyes in daily hands-on adventures. Learn about these fascinating prehistoric creatures and witness how we see living dinosaurs in our own backyard today. Grab a pack and be a paleontologist for a week but be aware for you never know what challenges you may encounter while on the quest for discovery.

Special Event

As you uncover prehistoric bones you might be met with physical adventures and mental challenges along the way that will require you to use coding, forensics, geology, and math to solve several traps and escape room challenges.

CHOOSE YOUR PHYSICAL ACTIVITY TRACK

Instructional Sports - Volleyball Training

This week will be an opportunity for the athlete who has previously played volleyball to challenge and refine their skills prior to the start of the fall volleyball season, and a great opportunity for those who have had limited opportunities with the sport to gain new skills. Here you will master the fundamentals, develop proper mechanics, and enhance court awareness and strategic play. Dynamic drills will be used to challenge and excel the player's skills sets. Each player will receive quality instructions by coaches. Game play experience will be the primary focus.

OR Cooperative Games

Enjoy a few days of nerf and laser gun battle zones that will have you tracking dinosaurs in the wild attempting to safely activate their cages in your very own Jurassic World. Then learn the basics of geocaching and travel the trails orienting yourself to make incredible hidden discoveries.

Week 7
July
25-29

Splish Splash

The element of water is beyond a necessity in life. It brings a refreshing splash of pure joy to our lives. Enjoy all the abilities of water through hydropower STEM experiments, water cycle science, ice lab tests, water games, watercolor projects, and exploratory fun with our NEW water wall!

Special Event

Get ready to get soaked as you dive into a day full of water fun including our 300-foot slip-n-slide, then take the ultimate challenge in our NEW Color Run experience where you will be doused from head to toe in different colored powder as you run our trail course.

CHOOSE YOUR PHYSICAL ACTIVITY TRACK

Instructional Sports - Basketball Training

The final basketball week will give the athletes the ability to challenge their fundamental skills at higher levels of performance where their court awareness, mental toughness, work ethic, and attitude will play the biggest role. They will learn team offensive and defensive fundamental strategies and concepts such as moving without the ball, pick and roll execution, screening, pressing, fast break, switching defenses, post play, and perimeter play. Learn the skills necessary to become a Champion!

OR Cooperative Games

Get creative with hands-on fun at our NEW water wall. Enjoy an assortment of daily water games including slip-n-slide kickball, sponge dodge ball, creek walks, super soaker battle zones, and water balloon relays.

Week 8
August
1-5

Circle of Life

Uncover the amazing natural food webs and chains that define our ecological community. Investigate the animal kingdom and discover which keystone species will reign supreme in face-to-face challenges of Who Would Win? Around a campfire, share thrilling legends and fables from around the world highlighting the unique evolutions and adaptabilities of animals. Then create your own legendary creature and see how it will play a role in the circle of life.

Special Event

You are now the protector of the Pride Lands and what you find and answers you seek may very well save the future of the animal kingdom. Scavenge for answers to ecological riddles that can rock the circle of life out of balance and work to find harmony once more.

Whether you are a player new to the sport or a player who is playing at the club or travel level, this week at camp will allow for a fun, dynamic approach to skill work and situational drills that will allow you to take your game beyond the warning track and out of the park.

OR Cooperative Games

Relax and enjoy a week full of classic backyard games such as giant Jenga, giant Connect Four, giant Yahtzee, corn-hole, Kan Jam, bocce ball and teambuilding exercises with our giant inflatable ball.

Week 9
August
8-12

Celebration of Festival, Fun, and Friendship

Enjoy a weeklong festival of celebrating summer camp fun. Every day plays host to special experiences, camp-wide games, parties and more!

Special Event

Every day will host a camp-wide special event that will include games, movies, special treats, campfires and more!

CHOOSE YOUR PHYSICAL ACTIVITY TRACK

Instructional Sports - Dynamic Athlete

Participating in a wide variety of sports and various disciplines of athletics allows children to gain different kinds of skills that they can apply from one sport to the next, including hand-eye coordination, balance, endurance, explosion, communication and athletic agility. This week will allow each camper to experience a wide variety of sports skills such as cross country, dodgeball, basketball, kickball, wiffle ball and more. This dynamic opportunity will provide multiple experiences that will motivate them for future sports success and achievements!

OR Cooperative Games

Choose your favorite games from the summer and get the chance to relive them once more before summer camp is over.
