

Aquatic Education & Youth Fishing Workshop

Country Life Kids Camp and local businesses join forces for the children in our community to experience nature and learn about fishing.

Please join us for this fun, educational & hands-on outdoor workshop geared for children between the ages of 5 – 14 years old. Please Note: All Children must be accompanied by an adult family member over 21 years old.

This **FREE**, event is being hosted by Country Life Kids Camp on **Saturday May 3rd, 2014**. (Rain date May 10th)

There will be two sessions held on May 3rd, 2014. **Morning at 9am or Afternoon at 2pm**

Please indicate which session you prefer on your registration form. Your registration will be confirmed via email prior to the event.

Tina Bildstein, a certified instructor with the Ohio Department of Natural Resources and the Division of Wildlife, will be leading the “*Youth Fishing Workshop*”. The program is an introduction to a lifetime of recreation for families with little or no previous fishing experience. Participants have FUN while learning some basic skills and needed techniques to begin fishing in their communities. This *Family Aquatic Education Program* includes strong *stewardship* messages as part of each learning activity.

- >Fish Habitat
- >Fishing Handling
- >Fishing Knots
- >Rigging
- >Casting
- >Fish Identification
- >Dip-Nets Creatures
- >Local Information

All participants will have an opportunity to fish in Country Life Kids Camp’s stocked ponds for 1 hour (Catch & Release). Awards will be presented for the most fish caught, largest fish caught, smallest fish and for a casting contest.

All participants will receive food, t-shirt, bait along with an ODNR Passport to Fishing Student Certification Card, after completion of the program.
