

Country Life Kids Camp - Tuition Assistance Plan

Purpose:

We feel that our camp is reasonably priced and can truly help children in our community. However, Country Life Kids Camp realizes that some families will still be unable to afford the full tuition. In order to maintain our mission, CLKC will offer tuition assistance up to \$500.00 in a hardship situation. Hardship tuition assistance is intended for families who may undergo an unexpected hardship such as an extended loss of a job.

Selection Process:

Country Life Kids Camp admits campers of any race, color, national and ethnic origin to all the rights privileges, programs, and activities generally accorded or made available to campers. It does not discriminate on the basis of race, color, national and ethnic origin in administration of its educational policies, admissions policies, tuition assistance, and athletic and other camp administered programs. Selection for tuition assistance will be needs based.

Evaluation of the need will be reviewed by using an internal committee. The tuition committee will be made up of members of the board and staff of Country Life Kids Camp. This committee has been selected to maintain both confidentiality and provide unbiased allocation. CLKC recognizes that the information required for evaluation is both sensitive and confidential. Confidentiality of the applicant's identity and personal information will be maintained in all phases of the tuition assistance process.
