

FIELDING GAMES

Youth Instructional and Dynamic Performance Training

Week 2 June 13-17

Babe Ruth said, "Baseball is the greatest game in the world and deserves the best you can give it." Fielding Games week #1 is all about giving it your best to learn baseball and softball skills, tactics, and situational play. Through the games of kickball, softball, baseball and even cricket, campers will learn, develop, and improve their overall play in fielding games. Hitting mechanics, proper throwing mechanics and receiving/fielding fly-balls and ground balls will be the sport skill focus. Offensive and defensive situations will be covered to allow campers a more in-depth

understanding of the game enhancement mental toughness, focus and situational awareness in the field, the batter's box and on the bases. Additionally, there will be opportunities for the campers to work on specific position skills such as catching and pitching. Whether you are a player new to the sport or a player who is playing at the club or travel level, this week at camp will allow for a fun, dynamic approach to skill work and situational drills that will allow you to take your game beyond the warning track and out of the park!

Week 8 August 1-5

Fielding Games week #2 will provide a specific focus on baseball and softball skills furthering the campers' understanding of tactics and situational play. Hitting mechanics, proper throwing mechanics, receiving/fielding fly-balls and ground balls will continue to be developed and refined. Coaches will have an opportunity to provide individual plans for each camper to continue their process from fielding games week #1.

Offensive and defensive situations will be practiced in game setting to allow campers to succeed and further their understanding and focus to become situationally smart.

What gives our fielding camp the competitive edge?

Top Coaching Character and Sport Leadership Development

We offer an exceptional coaching character and sport leadership development program that was developed by Ben Stobb, the Assistant Varsity Baseball Coach at Highland High School. Our program offers a sport psychology influenced toolkit for life and forges the opportunity for the competitive athlete to strive to excel physically and mentally as an individual and team player. Through intense leadership and team development settings they will gain a better understanding of what it takes to improve, achieve, and succeed in an individual or team environment while working to achieve higher performance levels.

Top Skilled and Invested Coaches

We are honored to announce that all our coaches have either coached or played within the local high school and university educational systems. Our coaches have earned awards such as the All-American award, teachers and coaches of the year awards, academic and athletic honors, champion levels of achievement and more. Please visit our website under "our team and guest coaches" for more information.
