“Friend of the Camp” Business Donation Opportunity

Since **Country Life Kids Camp** began, *we have continued our ministry of helping children develop core values and find their potential to make an impact in shaping and transforming our world.* **Now more than ever, our camp and our camp families need your help to offset the financial challenges created by COVID-19.** We will continue to be dramatically impacted in the summer of 2021, by potential attendance restrictions that could reduce our number of campers by nearly 40%. *We are doing everything in our power to meet the needs of our camp families, during this unprecedented and challenging time, by expanding our camp program offerings and age ranges.* **Please help us continue to make an impact and inspire the lives of children.** Your generous, charitable donations are critically needed. Through your gift, you partner with us in carrying out our mission to provide each child the highest quality experience in a Christian environment that believes in high morals and values.

Through a generous minimum donation of \$250, you or your business become a “Friend of the Camp” earning all the promotional and advertisement perks Country Life Kids Camp can offer through its vast network that encompasses thousands of local families. *You will get a highlight piece in our newsletter thanking you for your generous donation and also explaining how your company plays a vital role in the community. Your company logo will also be presented on our website and frequently posted via our social media outlets as you present us with updated news or promotions.*

We are incredibly thankful that the community has responded so positively to what the camp has to offer children. **We are equally thankful that many families, individuals and businesses have helped by donating, their time, talent and financial contributions our vision for helping children.** **We need your help for the camp to continue to survive.** **Please contact us for more information if you are interested in becoming a “Friend of the Camp.”**

On behalf of our team, and the campers we serve, please accept our deepest gratitude and appreciation for your support. We look forward to an exciting future because of your generosity, and that of others who value the mission and purpose of Country Life Kids Camp. **Your gift is tax deductible to the fullest extent provided by law.**

God Bless,

Tina Bildstein
Camp Director
